## 2014 AIRSHOW

### Eraldo Pomare

The CARFF Central Alberta RC Airshow held on July 27 was a resounding success. Great entertaining flying, 200+ spectators (180 or so paid entries - kids entered free), balanced books, outstanding weather. I talked to a colleague at work who had brought his 8 year old son and he thought it was a great afternoon: "Pace was good, loved the jets, the parachute which was an unexpected surprise and all the planes and action - including the several nose-overs and out-landing by the B25 - all very entertaining".

From my perspective, Jon From and his helpers did a fantastic job organizing the show. Jon lined up pilots, sponsors, posters, radio ads, the excellent announcer, kid's face painting, kid's jumping castle, CARFF members to man the gate, concession, BBQ etc.

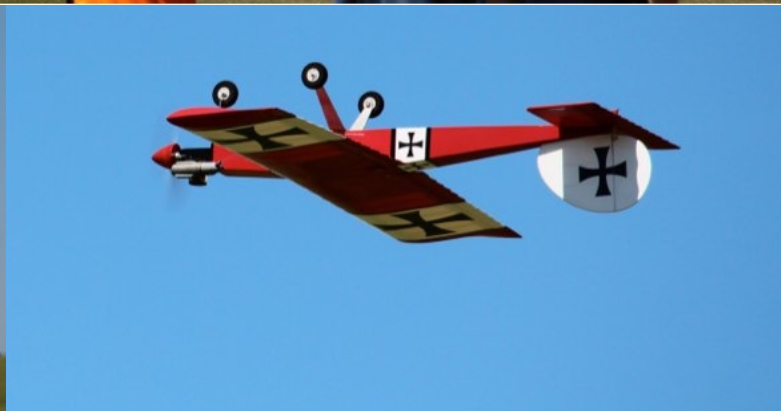

John Ferguson reported that 31 flights were flown by both CARFF and out of town pilots. The out of town pilots brought and flew some very interesting aircraft including two very impressive jets, helicopters, a large Air Canada Airbus, a twin Otter and a bunch of other planes. CARFF members brought and flew a range of aircraft from sport planes, WWII scale, control line, aero-tow, combat, a parachute drop, a witch on her broom and finally a candy drop.

Well done everyone! Well done Jon et al.

## EDITOR'S SOAPBOX

### Eraldo Pomare

CARFF had an exceptionally busy period in the past 2 weeks. The July 27th Airshow was a great success - as discussed above. Less than one week later, Will Gross organized and ran the Western Canadian Pattern Championship at the CARFF Bawtenheimer Field. CARFF Members acquitted themselves extremely well. A full report will be published in next month's edition of "The Antenna".

Central to the success of both of these events is the volunteer spirit of the CARFF membership: from organizing through to flipping burgers and parking cars - members stepped up and did the club proud. Great work CARFF!

Also, a ***HUGE Thank-You*** to Teresa Hall for the absolutely outstanding photography - as seen in this edition of "The Antenna"

See you all at the field,  
***Eraldo***
